

HELPING CHILDREN TO BUILD A NATURAL PATHWAY TO LEARNING

my wild life is a new, exciting and progressive learning programme for teachers to use with children aged 4-10 years old which uses metaphors and transferable learning from nature to support pupils' social and emotional development.

The My Wild Life programme provides teaching staff with a stress-free and cost effective way to create inspiring lessons, particularly for one-to-one or small group sessions, by packaging up uniquely themed lesson plans, schemes of works, assessment tools and resources into an engaging, fun curriculum that builds to last a whole academic year.

THE HIGHLIGHTS

- ✔ **Six core value-led themed kits** ('My Wild Kit of... Change, Respect, Strength, Confidence, Friendship and Hope') which use imaginative storytelling and nature to bring themes to life.
- ✔ A new kit every half term including **over 6 hours or half a term's** worth of structured lessons in each one.
- ✔ Each kit provides **equipment, guidance and workbooks** which enable teaching staff to facilitate engaging, educational and nurturing 'awe and wonder' activities with pupils in a classroom or external setting effortlessly.
- ✔ Unique **impact tools** to assess and measure pupil progress.
- ✔ A **reward system** involving certificates and badges for pupils on completion of each module.
- ✔ **Sustainable and reusable** equipment and resources which form a fantastic and inspiring teaching tool-kit for schools.
- ✔ **Accessible and adaptable** for all and ideal for use with children with SEND or nurture groups.
